P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This interview summary is filed in response to the April 7, 2005 Notice of Allowance and accompanying interview summary form PTOL-413 submitted by the examiner therewith.

On January 17, 2005, the applicant's representative filed an amendment and response to non-final office action. On March 28, 2005, the examiner initiated a telephonic interview with the applicant's representative to discuss a proposed examiner's amendment to claim 44. The applicant's representative and the examiner agreed upon the change to the claim as reflected in the April 7, 2005 Notice of Allowance. No exhibits, illustrations, prior art, prior art rejections, other claims, or any other pertinent matters, as set forth in MPEP §713.04, were discussed during the telephonic interview.

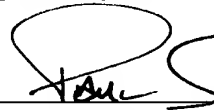

Pursuant to MPEP §713.04, the applicant respectfully requests the examiner to check the accuracy of this interview summary and respond to the same, if unacceptable. If the record is complete and accurate, the examiner is requested to place an indication of

approval in the image file wrapper. If the examiner would like to discuss this interview summary, please feel free to contact the below-signed representative.
